Profile

I'm an outgoing and aspiring wildlife camera operator. I have recently worked for over 1 year with Plimsoll Productions. I am currently looking for camera roles or related positions to strengthen my technical knowledge. I'm a collaborative team player and I pride myself for bringing positivity, kindness, and determination to everything I do.

Qualifications

- First Aid Trained - FAA LEVEL 2 Award
- Conversational Spanish
- Long lens – RED/CN20
- Remote trigger systems (a7s III)
- PADI Open Water Diver (Rescue by Feb)
- Drone Pilot: A2 CofC + CAA Registered
- Business insurance / Full UK Driving license
- Manual Handling (CPD/RoSPA Certified)
- Avid Certified User Media Composer
- Software: Current, PMI, Google, Adobe CC, Da Vinci

Current Personal Project

Short documentary on the introduction of European Bison in the UK – ‘ZUBR’

Jan 2024 - Present

- Dedicated 18-months to produce, direct, and shoot a rewilding documentary, coordinating a global crew of 50+.
- Set up international shoots, responsible for carnet and international kit movements.
- Operated and maintained specialist kit: macro, motion timelapse, drone, long lens (CN20), and 3-point lit interviews.
- Served as on-location DIT and logger and assembling sequences for the editor.
- Post-production of £20k funded by Films@59, working closely with Wildwood Trust, Sennheiser and other supportive organisations.
